

Revised 12/15/16

## **2017 Farmers Area Operational Guidelines**

Welcome to the Piedmont Triad Farmers Market. To permit fair and equal opportunity for all sellers and to ensure quality products for buyers, the following rules have been developed. They will be revised and updated as needed, and may be modified according to the season and products being sold. We want to work with you and welcome your ideas and suggestions at anytime. To achieve maximum benefits and provide the best Market, Everyone – growers, sellers, customers, and management must share and work together. Thank you for choosing the Piedmont Triad Farmers Market to sell your products. The Market Manager may deny the privilege of operating on the Market to any person who violates these guidelines and rules, or who otherwise takes actions which are determined by the Market Manager to be detrimental to the Market. The Market Manager specifically reserves the right to request additional information or documentation before making a decision to deny or limit access to the Market, but is not required by these guidelines to do so. The privilege of selling on the Market is not an entitlement. In utilizing his or her discretion to suspend, revoke, or otherwise terminate a seller's privilege to sell on the Market, the Market Manager may consider a seller's history of cooperation with the Market Manager and the seller's good faith effort to obey the guidelines and rules of the Market. Likewise, any effort to manipulate or to violate the spirit of the guidelines and rules may be considered. The ultimate discretion for eligibility determinations belongs to the Market Manager, and determinations are final once they are rendered.

**Use of the Farmers Area is for approved sellers only.** In order to sell in this area, all growers must submit a Growers Certification Form, a vendor application and have a meeting with Market management prior to renting space. Growers that wish to do so may sell produce (fruits and vegetables only) for up to one other certified North Carolina grower as long as, at all times, a minimum of 51% of the actual produce being offered for sale in the rented space in the Farmers Area is produced by the grower/seller renting space. Only produce (fruits and vegetables) will count towards the 51% requirement. Plant sellers may sell only plants they grow themselves and may not sell for other plant growers. Market personnel may visit your stand at anytime, make a count and visit your farm to verify. Those wishing to supplement the sale of their produce with other certified North Carolina growers produce must first visit with the Market Management to request and explain the situation and provide the necessary information to certify all products (growers' certification permits, commodities to be sold, invoices, etc.). Growers who designate another grower to sell for them are giving up their privilege to sell on the Market themselves for the calendar year. Growers who are designated to sell produce for other growers and those designating another grower to sell their produce for them must submit new Growers Certification forms each year.

**We also highly recommend each vendor be a member of “Got to be NC/Goodness Grows”. Information about the program can be found at [www.gottobenc.com](http://www.gottobenc.com) or by calling 919-707-3100.**

Sellers are not to purchase products from other farmers, wholesale houses, the Market Shoppes Building F, nurseries or other outside sources for the purpose of resale in the farmers area.

We want to work with you and welcome your concerns and ideas at anytime. To achieve maximum benefits and provide the best Market, all of us - growers, sellers, customers and market management must share and work together.

All vehicles with product are to stop at the gatehouse, pay their appropriate gate fee and provide an accurate count of products being brought into the Market. Sellers are not to occupy a space until the fee is paid and a space selection is approved by gate personnel. Payment may be made by cash or check for up to two weeks of space rental. Payment is due on Monday if paying by the week. If the rent is paid in cash the grower renting the space must make the payment in person. If payment is to be made by check, an employee may make payment with a check from the grower. All payment is final. **NO REFUNDS.** Sellers select spaces on the basis of first come first serve. All spaces must be rented at the gatehouse **before** they are claimed. Spaces cannot be transferred from one seller to another. Gatehouse personnel will make the placement. All sellers who wish to claim a space must have product and be prepared to sell. Sellers are not to rent a space without product to sell, intending only to reserve the space (contact the office for details on renting space prior to April 1). Each seller will be charged for all spaces being utilized, including display and storage spaces. All items belonging to each seller on the Market must be kept within the rented spaces. For example: tables, storage trailers, racks, boxes, refrigeration equipment, etc. Anyone planning to use any type covering – tents, carports, umbrellas, buildings, wind shielding structures, etc. must have prior approval from Market Management.

If a seller has rented all the available spaces he/she is permitted, he/she will be allowed to rent one parking space directly behind their rented spaces for the sole purpose of parking a truck or trailer to be used for storing product. The rent will be \$5.00 per 200sq.ft. per day. If the seller does not wish to rent the storage space, he/she will have until 10:00 am, regardless of arrival time, to unload product and relocate to an approved parking location. Any truck or trailer occupying a parking space after 10:00am will be considered used for storage and the rent will be assessed. Any vendor who needs to leave a vehicle or trailer on the Market overnight will need prior approval from Market management. All unapproved vehicles are subject to be towed at owners' expense.

More and more large trucks and trailers are being used by our vendors to haul product to the Market. Parking these vehicles has become an issue. Market management has identified three areas to park these vehicles: at the back of the gravel lot beyond the west end of Farmers II; the gravel lot adjacent to the restaurant; on the grass south of Farmers I (Tyner Rd.) If these areas are used to park vendor's vehicles more parking spaces will be available to our customers.

Farmers Areas 1 & 2 are open to the public from 7am – 6pm Monday – Sunday, except during the Christmas tree selling season when selling hours are extended until 8pm. A certified grower wanting to rent space on the Market must do so in person. Employees or representative may not make the initial space rental of the season/year. Growers may rent space from 4:00am until 6:00pm each day. Growers/employee may rent a B or C space after 6:00pm. Rental fees must be paid before occupying the space. Growers with rented space may restock outside of these hours with the approval of the gate personnel on duty at the time. At peak season, sellers may experience a shortage of selling spaces under shelters. Additional outside spaces adjacent to the farmers areas will be identified to handle any overflow. The number and location of spaces available to sellers may be restricted depending upon the type of products to be sold, number of weeks one has sold, amount and variety of produce being sold and the season. Growers may sell in only one area of the Market and all spaces rented must be adjoined. Growers are limited to two A spaces in the Farmers Sheds (three A spaces may be rented when demand for space allows) A certified grower or employee will not be permitted to manage more than two adjoining spaces. In Farmers Area 1&2, A &B must be rented before a second A is rented. For sellers who hold space from one day to the next, rent is to be paid for all days the Market is open.

To hold these spaces sellers must have product available for sale and must have personnel and a licensed vehicle with the space. Growers are expected to actively utilize their rented spaces each day (excluding Sundays). After 7:00am, any unrented selling space on the Market may be rented by approved vendors on any day the Market is open.

**HONOR BOXES ARE NOT TO BE USED.** Growers will be charged an additional load fee of \$6.00 in addition to the normal space fee when additional product is brought into the Market on a second vehicle or to re-supply their spaces. At the time all products are sold, seller is to notify the gate personnel if they wish to hold the space or clean and vacate their spaces (everything -- vehicles, trailers, tables, containers, waste, etc. must be removed from the Market). Growers are not to hold spaces with vehicles, trailers or small amounts of produce. Such items may be removed by Market personnel. Market users are to remove vehicles, products or property as directed by the Market Management.

Sellers may not offer for sale produce that is unsound, unwholesome or which fails to meet the requirements of federal, state or local laws. Sellers may sell only food or plant items and other items that are handcrafted from natural products of the farm. Growers with perishable products such as fresh produce or plants may supplement the sale of these products with their farm type crafts, which might include, for instance, items made from plant products such as handmade birdfeeders, baskets and dried flower arrangements, but would not include items such as ceramics, plastic picture frames or clothing items not hand spun at home or on the farm. Commercially manufactured farm, craft and baked good items are prohibited in the farmers areas. In order for growers to sell baked goods and canned items sellers must provide proof of kitchen inspection and label products. The Food and Drug Protection Division of the N.C. Department of Agriculture & Consumer Services handles the inspection. Call 919-733-7366 for an appointment. Growers wishing to sell craft or baked good items must meet with Market Management prior to offering them for sale. No canned vegetables are to be sold.

Sellers that plan to use the words “organically grown” or “pesticide free” must meet with Market Management to discuss their intentions prior to using them on signs in their spaces and supply the proper certifications.

Plants needing to be sprayed should be returned to the farm for treatment.

All live nursery stock (winter hard trees, shrubs, vines, perennial bulbs, turf grass, narcissus bulbs, strawberry plants, iris and daylily plants, rose plants, etc.) offered for sale must be properly certified by the state where they were produced to be apparently free of injurious plant pests and free of quarantined plant pests. A nursery license must be maintained on-site for all nursery stock on hand and for non-nursery stock plants originating out-of-state. Contact the Plant Protection Section of the N.C. Department of Agriculture at 919-733-6930.

No live animals or birds may be sold in the farmers areas. In order to sell meats or seafood in the farmers areas, growers must request a copy of the SUPPLEMENTAL GUIDELINES FOR SELLING MEAT, POULTRY AND SEAFOOD IN THE FARMERS AREAS, then meet with market management to discuss the methods intended for transporting, handling, storing and displaying of the products.

Customer Complaints: It is the responsibility of the market user to satisfy customer complaints. Upon receipt of numerous complaints about the same Market user, this person may be denied privilege to use the Market. If anyone has a complaint about another grower, be specific – write information and give to Manager. Market Manager may deny any person the privilege of operating on the Market who is using methods that are detrimental to the Market including the violation of Market rules.

Sellers are not to use a false pack (facing or topping of containers with the best products exposed and poor products underneath) or to knowingly pack products that are short in weight.

All sellers who retail must display their name (or farm name) and address on a single double sided identification sign that shall be oriented towards the center aisle and the parking lot. A minimum size of 22” x 28”, standard poster board, is recommended. All other signs must be oriented towards the center aisle. A maximum banner size of 4 x 8 will be permitted and must be installed by the seller. All signs must be approved by Market Management. Use of price cards is encouraged and may be purchased at the gatehouse for a small fee. A display height may not exceed 66” including product, beginning at the front of the A space and going back 8 ft.

Sellers are responsible for accidents or injuries that occur within their rented space or involving their displays or equipment (trailers, tables, signs, umbrellas, etc.) and may want to purchase a liability insurance policy. Sellers may be asked to sign a statement about their use of and acceptance of responsibility for potentially dangerous items used in their spaces. Example: use of chain saws for Christmas trees.

No user of the Market shall enter into price agreements to raise, lower or fix prices for products on the Market. Sellers are not to influence other sellers to sell lower or higher. Each one sells as they wish without interference.

Electricity - No charge for scales and cash registers. Televisions are not permitted. Check with office or gatehouse regarding any use of electricity. Electrical charges: \$1.00 per day for each small cooler, coffee pot or fan, \$2.00 per day for each heater or bean and pea sheller.

Growers with product being delivered to Market Shoppes Building F must pay a delivery fee. Certified growers from out-of-state will pay a double rate and must sell only their own products (*Only the grower and his or her spouse or their children, living with them may sell*). Out-of-state growers are not allowed to designate other growers or employees to sell their products and may not sell to other growers within the farmers areas. Sellers are to stay with their products and are not to approach or call out to buyers who are at the location of another seller. Sellers who give out samples must be responsible for the seeds, skins, pits, rinds or juice.

No disruptive or loud noise makers are permitted. Examples: radios, tape decks, drums, musical instruments, etc.

Parking spaces and gravel areas are not to be used to store chairs, tables, baskets, trailers, etc. Please help the Market maintain and keep restrooms clean. Report dirty or unclean conditions to the gatemen or maintenance personnel.

Market users, sellers or buyers are not to use profanity, abusive language or verbally abuse other Market users, customers or staff.

No dogs or pets are to be kept on the Market or in buildings.

Children must be supervised and not allowed to roam or interfere with other sellers.

Unsold produce should be carried home, donated to Food Programs, or offered to livestock feeders. Aluminum cans are not to be mixed with other trash. North Carolina State law requires that these cans be stored separately and recycled.

Vehicles must be driven only by licensed drivers who observe the speed limit and posted signs.

No person shall deface or damage the Market buildings, pavement or other equipment.

Gambling, the use of alcohol or other controlled substances is prohibited and persons under the influence of intoxicants or exhibiting disorderly conduct can be removed. Sellers are not to possess fireworks on the Market.

Users must keep their areas clean, sanitary and orderly. No homesteading is allowed.

Salamander heaters will not be permitted.

Sellers in the farmers area are not to use the coolers of wholesale or enclosed retail tenants.

Notify the office if you discover product is missing and appears to have been stolen.

If Market Staff finds that any of these rules are not being followed, the **penalties** will be:

1<sup>st</sup> Offense – Written *Warning*

2<sup>nd</sup> Offense – Banned *from all use of the Market for 10-30 days.*

3<sup>rd</sup> Offense – Banned *from all use of the Market until January 1st of the following year.*

*These guidelines are authorized by the North Carolina Administrative Code governing State owned Farmers Markets and have been recommended and adopted by the Piedmont Triad Farmers' Market Operational Advisory Committee.*
